

Approved data formats and layout for electronic publication

Basis

The data format of an electronic version and its data carrier have to be agreed upon with the university library (RdErl. d. Ministerium für Wissenschaft und Forschung v. 4.6.1998 - I B 2-810).

Files

Dissertation / Habilitation as one PDF file

- integrate pictures, tables, appendices into the file
- include all used fonts in the document
- maximum size **50 MB**
 - avoid memory-intensive image formats, prefer **.gif and .jpeg, .jpe, .jpg**
 - for interactive parts or applications contact us!
- do not use PDF/A
- do not assign password protection

German abstract as Word or text file (.txt or .rtf)

- additional abstracts in other languages each in separate Word or text files
- no write protection and/or password
- maximum **1000 characters including spaces**

German keywords as Word or text file (.txt or .rtf)

- assigned keywords can alternatively be noted on the abstract
